Why should YOUR church support the South Yadkin Baptist Association?

The Association is not just the Director of Missions and staff members... **It's you, your pastor, and your church** working together with other like-minded churches in spreading the love of Christ and ministering to people in His Name. We have many ministry opportunities to serve through SYBA.

We encourage your church to receive a special offering during the month of August for South Yadkin Baptist Association - "Our Jerusalem" missions. Please also consider making South Yadkin Baptist Association a part of your church budget.
